

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

Civil Action No. 2:24-cv-1675

UNITED STATES OF AMERICA and
COMMONWEALTH OF PENNSYLVANIA,
DEPARTMENT OF ENVIRONMENTAL
PROTECTION,

Plaintiffs,

v.

PENNENERGY RESOURCES, LLC,

Defendant.

NOTICE OF LODGING OF PROPOSED CONSENT DECREE

Plaintiffs, the United States of America and the Commonwealth of Pennsylvania, Department of Environmental Protection (“PADEP”), have filed a complaint against PennEnergy Resources, LLC (“PennEnergy”) seeking injunctive relief and civil penalties for violations of the Clean Air Act at five of PennEnergy’s oil and natural gas production facilities in western Pennsylvania.

Plaintiffs hereby notify the Court that they have lodged with the Clerk of Court a proposed Consent Decree, attached as an exhibit hereto, that would resolve all claims in this action. Plaintiffs are **not** requesting any action by the Court at this time on the proposed Consent Decree. The United States is required by regulation to invite the public to comment on the proposed Consent Decree for a period of 30 days before seeking judicial approval. The public comment period will begin upon publication of a notice in the Federal Register, which we

anticipate will occur shortly. At the end of the public comment period, Plaintiffs will file a motion with the Court to advise the Court of any comments received and of the United States' position as to whether the proposed Decree should be approved and entered by the Court.

Pursuant to 28 C.F.R. § 50.7, the United States may not seek the Court's approval of the proposed Consent Decree until the opportunity for public comment is satisfied. This regulatory requirement has been acknowledged by the parties to the proposed Decree as a condition of the settlement as reflected in Paragraph 154 of the proposed Decree. The United States therefore requests that the Court wait, before considering whether to approve and enter the proposed Consent Decree as an order of this Court, for a subsequent submission by Plaintiffs regarding any comments received during the public comment period and the United States' position regarding entry of the proposed Decree.

Respectfully submitted,

TODD KIM
Assistant Attorney General
Environment and Natural Resources Division
U.S. Department of Justice
